

CONSPIRACY OF • SILENCE

Dear Potential Investor

Conspiracy of Silence Ltd Investor Group

The fact that you have found yourself on this page *may* be an indication that you would like to help us get *Conspiracy of Silence* out there to a wider audience.

Although the film won many international awards and received critical acclaim, it has not had cinema distribution and we want to use the Internet to get people talking about it.

Inspired by true events, *Conspiracy of Silence* tells the story of a young priest torn between the love for his girlfriend and his vocation to the Catholic Church. The film highlights the Church's present-day dilemma on its doctrine on celibacy. With a superb ensemble cast, *Conspiracy of Silence* is a provocative, timely and controversial drama set in Ireland.

We have set up Conspiracy of Silence Ltd to distribute the film through the Internet to a worldwide audience.

We have a marketing strategy in place to get the film noticed. In the present economic climate it is difficult to raise money for this from one or two investors, so we have decided on a different approach.

We are looking to find individuals to each loan the company £500 towards the marketing costs.

We have put £5,000 *each* into the company to start it off.

Of course, if you so wish you can loan the company more than £500 in 'multiples' of £500, up to whatever sum you are comfortable with.

We will only ever ask you for your money once. We will not come back to you again looking for more!

What will you get in return for your investment?

Firstly, you (and other people) will be helping us to promote an important film worldwide that can have a real impact. You will also get a big public '**Thank You**' from us. If we manage to pull this off successfully . and there's no reason why we shouldn't . we will be one the first movies in the UK to have harnessed the power of the web in this way.

So, on a best-efforts basis (but not guaranteed), should sufficient funds be generated from the distribution of the film, certain monies will be distributed in the following way:

1. The return of your £500 loan (or more if you have multiples) should sufficient funds be generated to make this possible.
2. 10 copies of the movie on DVD to give to your family and friends.
3. A trip to the British Academy of Film & Television Arts (BAFTA) in Piccadilly, London (or similar venue) to see the film on the BIG SCREEN and participate in an audience discussion about the film and its controversial subject matter.

CONSPIRACY OF • SILENCE

4. The satisfaction of helping a film that has been shunned by distributors as being ~~too difficult~~ to get out to a wider audience.
5. An opportunity to come and visit the film set of John Deery's next movie to watch how films are made and have lunch with the director, cast and crew.
6. Your name on an Investors' Page on the *Conspiracy of Silence* website, should you wish for it to appear.
7. A posh certificate to hang on the toilet wall saying you have helped *Conspiracy of Silence* reach a wider audience!

However, **and we can't emphasise this enough**, we suggest you only loan your money if:

1. You like and believe in the film . a DVD copy is available for viewing.
2. You can afford to lose the money you loan us . after all, there are no guarantees.

We have a 2 page Investor Summary document and a more comprehensive 25 page Investor Document outlining our marketing plan. If you would like to see either (or both) of these documents, please let us know.

Please get in touch with us via the ~~£~~Contact button on this website if you are interested and we will get you the necessary paperwork.

If not, please pass this information on to someone you think may be interested.

Many thanks.
